## SERBIA AND THE EUROPEAN UNION

Niš, 18 October 2012

More than fifty years, the Faculty of Economics is one of the most successful educational and research institution in the field of economics in Serbia.

Traditionally, throughout its history, the Faculty of Economics has organized scientific conferences on current issues on the occasion of the Faculty Day. Each year, the number of participants is growing increasingly as well as the number of countries the authors come from.

Considering the challenges that Serbia facing regarding joining the EU, this year as the main topic of the traditional conference, we have chosen "Serbia and the European Union".

The aim of the Conference is to create a stimulating environment that allows fruitful debates on various aspects of Serbian joining EU, through enabling open discussion and attitudes expression of researchers at international convention and therefore bring its contribution to scientific knowledge and practice.

**We are pleased to invite you to give your contribution to the Conference with your papers and active participation during the Conference.**

### *THEMATIC AREAS*

- 1) Economic policy in Serbia and other non-EU countries - harmonization with EU economic policy
- 2) Financial markets and financial institutions in the EU and Serbia
- 3) Modern concepts of management
- 4) Marketing under the conditions of European integrations
- 5) Financial reporting as a mean of communication and harmonization with reporting practice in the EU
- 6) IT achievements and economic development
- 7) Socio-economic aspects of business in Serbia and the EU
- 8) Contribution of mathematical and statistical sciences to economic development of countries and enterprises

### *KEYNOTE SPEAKERS*

To reinforce the purpose of our scientific event, we will invite eminent professors from different fields of economic science to give a keynote lecture.
